Dear Sir:

Your letter of May 29th received. In it you stated your terms for the renting of your Ball Park was \$100. guarantee with a privilege of 20%.

We have never been asked to pay a guarantee to rent a Ball Park before. Kindly let me know what arrangements would be made about Help and Lights. I think we had better discontinue negotiations for June 29th, as it is too short a time between now and then to properly arrange for the game, but I would like to get your figures for future reference.

Thanking you very much for your offer of the Park.

Hope we will be able to get together on terms.

Very truly yours,
